Local youth need your support

Every Olympic Swimmer turned their dream into reality at a USA Swim Club, just like Piranhas

Offering more than 25 years of experience, Piranha Swimming is the premiere aquatic program in the North Bay providing the finest coaching for elementary through high school age groups. We teach lifelong skills to our local youth while providing a supportive, team-building atmosphere uniting the various levels of swimmers whether they are beginners or advanced.

We train locally at Honeybee Pool and compete all year in Sonoma County and beyond, annually traveling out of state for various high-level competitions. We are proud of our low swimmer-to-coach ratios that allow us to ensure each swimmer receives individual attention to produce the highest results in and out of the water.

While we pride ourselves on having nationally-ranked swimmers, it is our unique swimming community and camaraderie among all levels of our swimmers that sets Piranha Swimming apart. Not only do our local youth exercise their bodies and improve their minds, they get to compete, build friendships and develop a love of swimming: a lifelong sport.

The Piranhas Swim Club is the only public swim club in Rohnert Park. Especially during these difficult economic times, we need your help to keep dues low enough so more youth can swim on the team.
